Yes, very interesting timing.

That week is open except for Friday. **NONRESPONSIVE**
NONRESPONSIVE So it
would be helpful to nail down the timing of the TU meeting.

Phil,

Let me know your availability. I sent a response asking for the dates and times that work for their group. I would expect that Rick would want to be involved as well. **Ex. 5 - Deliberative**

Michael, Mary, and Patricia -

David Evans passed your information along to me after a recent briefing in DC on the Pebble Mine proposal and related issues in Bristol Bay, Alaska. I will be in Seattle the week of the 16th of November along with Trout Unlimited's Alaska State Director and our VP for Western Conservation. The three of us would like to schedule a time to introduce ourselves to all of you at the regional office and talk through our concerns with widespread hard rock mining in the headwaters of the Nushagak and Kvichak rivers. I look forward to meeting all of you.

Best regards -
